## Khancoban

Khancoban was established as a construction town for the Snowy Mountains Scheme. The town is situated in the southern end of Tumbarumba Shire and offers stunning views of the main range and Mt Kosciuszko, with landscaped parklands and an outstanding rose garden. It provides an ideal location for fishing, boating, white water rafting, canoeing and water skiing.

## Tumbarumba

Tumbarumba has a heritage of gold mining, timber and agriculture. This is a friendly town with some lovely old buildings. Situated in a valley with spectacular mountain views, the town of Tumbarumba has two mountain streams which meet at the picturesque showground before progressing through the magnificent Creekscape at Goldfields Park behind the main street. These features come together to create a town landscape of natural beauty.
